

Vaughn and Tolson Open Listing Office

Del Vaughn and William H. Tolson have received an appointment as area representatives for California Mutual Listing Service, according to an announcement made today by Bert G. Whitchurch, president of the organization. Their office is at 2018 W. Carson St.

California Mutual provides a private "multiple listing" type service for the exclusive use of brokers specializing in income and investment properties. Through use of the service, member firms can offer investors statewide service in the sale or exchange of their properties and a multi-million dollar inventory from which to select properties to buy.

Since its beginning in San Jose one year ago, California Mutual has processed more than 285 listings totaling over \$36,589,000 and now

serves more than 100 prominent California realtors. Vaughn and Tolson have been in the real estate business for sixteen years. Vaughn Real Estate and William H. Tolson and Associates formed a corporation Oct. 1, 1962, and operated under the name of Tolson Vaughn, Inc. They are particularly well known for their sales in residential, vacant land and industrial

properties. In 1961 Vaughn served as president of Torrance-Lomita Board of Realtors and is a member of the board of directors.

Tolson was mayor of the city of Torrance from 1937 to 1940 and from 1944 to 1946. He served four years on the board of education. He is chairman of the downtown rehabilitation committee.

Red Cross TV Safety Drive Will Continue for a Month

A month-long Red Cross safety promotion began this week on the television show, "Romper Room" seen Monday through Friday each week from 9 a.m. to 10 a.m. over KTLA (channel 5), according to Capt. Walter West, volunteer chairman of safety services for the Torrance-Lomita Red Cross branch.

The promotion highlights began Wednesday with the

telecast of a one minute outdoor safety film. Similar films are scheduled for June 4, 13, 19, 26, and July 4.

Mouth-to-mouth respiration, the best resuscitation technique for adults as well as children, will be explained via the five minute film, "Your Breath Can Save A Life," to be telecast June 7, 21 and July 3.

A 15-minute film, "Teaching Johnny to Swim" will be

shown in three five-minute segments on June 10, 12 and 14 with the narration by Roger Plaisted, director of Safety Services for the Los Angeles Red Cross chapter.

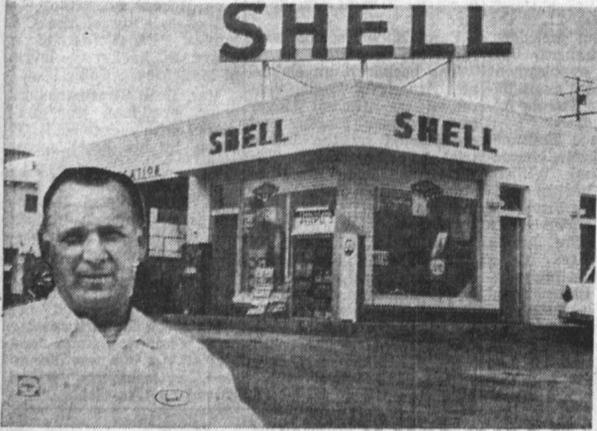

Capt. West says two or three safety slides with appropriate narration will be telecast on June 3, 5, 11, 17 and 24 and then once a week until the end of July.

"Using mass communication outlets, such as tele-

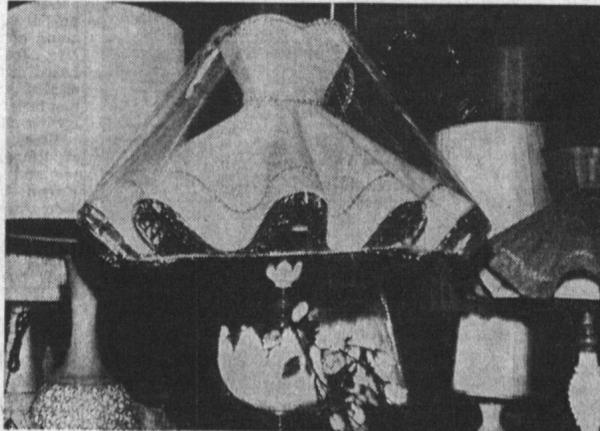

vision, is being done by Red Cross at every opportunity in an effort to serve more extensively than it possibly could through classes alone, the vastly increased American population," Capt. West explains.

Wife: "All men are fools." Husband: "Yes dear, we were made that way so all you girls wouldn't have to be old maids."
